It is essential that we develop effective alternatives to society's current patterns of violence. We will work to demilitarize, and eliminate weapons of mass destruction, without being naive about the intentions of other governments. We recognize the need for self-defense and the defense of others who are in helpless situations. We promote non-violent methods to oppose practices and policies with which we disagree, and will guide our actions toward lasting personal, community and global peace.

Green Party's Key Value of Non-Violence

Join the Revolution!

GREEN PARTY PEACE NETWORK

**Connecting Greens
into action for
peace!**

The Green Party Peace Network is a grassroots network for peace activists in the Green Party. GPPN exists to organize, support, alert, and call all Greens to action! Grassroots at work!

GREEN PARTY PEACE NETWORK
